SPECIFIC INSTRUCTIONS

Item 1—Report revenue (whether collect or prepaid, in dollars and other currencies converted to dollars) derived from the carriage of freight and express to and from the United States only. Passenger revenues should not be reported.

Item 2—Report cargo shipping weights (in pounds) on which freight revenue reported in item 1 was earned.

Item 3—Report all the expenses that were incurred in the United States and that were associated with your carriage of both inbound and outbound freight and passengers.

Item 3a, 3b, and 3c—Self explanatory.

Item 3d—Please include expenses for aircraft repair, maintenance, storage, and cleaning; handling services for freight and passengers; and other airport terminal services.

Aircraft modification and factory-type aircraft overhauls should be included in item 3e.

Item 3e—Please include all other expenses, such as port and landing fees; air traffic control services paid to the U.S. Government; aircraft modification and factory-type aircraft overhauls; and costs incurred in the operation of general headquarters, divisional offices, airline ticket offices, and all other costs for operation of freight and pas-

senger facilities located in the United States. These costs should cover, for example, catering, crew expenses (hotel and per diem), rent, utilities, legal fees, telephone and other communications equipment, and rental of tangible property except aircraft.

Exclude expenditures made abroad for which payments are made in the United States, that is, payments to petroleum companies in the United States for fuel and oil loaded on aircraft in foreign countries.

Exclude the following: Administrative expenses charged to U.S. operations but not actually incurred in the United States; capital charges and transfers, such as payment of interest or principal on loans; depreciation on aircraft and ground equipment; and payments for purchases exported from the United States (such as aircraft parts and complete aircraft) for which Shippers Export Declarations were filed with the U.S. Customs Service.
